TRIMBLE COUNTY UNIT NO. 1)	

O R D E R

On July 21, 1988, Louisville Gas and Electric Company ("LG&E") filed a Motion to Modify the Commission's July 19, 1988 Order establishing this proceeding. LG&E requests that the word "disallowance" be stricken from the caption and body of that Order based on the grounds set forth in its Petition for Modification or Rehearing filed in Case No. 9934, A Formal Review of the Current Status of Trimble County No. 1.

Based on LG&E's Motion and the fact that rehearing has been granted in Case No. 9934, the Commission finds that LG&E's Motion should be held in abeyance pending the rehearing in Case No. 9934.

IT IS THEREFORE ORDERED that LG&E's Motion to strike the word "disallowance" from the caption and body of the Commission's July 19, 1988 Order be and it hereby is held in abeyance pending the rehearing in Case No. 9934.

Done at Frankfort, Kentucky this 10th day of August, 1988.
